Dear *Ben*

It has been a long time since I have worked with Contractors who hold the interest of their clients in such high esteem.

Your tradesman are to be congratulated on the high standard of their work and also on their site management.

Every morning I would come in and check progress, to find that we had kept to program and the site was as if nothing had happened.

We look forward to dealing with you in the future.

Kindest regards.

Yours sincerely

Mike Poole
