Our ref JPM/LBMK

Dear Mr Jeary

May we take this opportunity to thank you and your staff for the professional and efficient way the office refurbishment was carried out at our Head Office during the summer.

Spaceway were very responsive and helpful during the design stage and this continued during construction. The job was completed to programme and although we remained in situ on site we had little disruption from the on-going works. Any issues were quickly overcome.

We would have no hesitation in recommending Spaceway South Ltd to other potential clients and we look forward to working with you again.

Yours sincerely

J P Malovany
