Dear Dominic

Re: New Look, Lakeside

Thank you personally and on behalf of New Look Retailers Ltd for all your efforts and hard work in achieving a truly stunning shopfit. The finished result is not only a credit to New Look but to yourself and your fellow working colleagues, who performed outstandingly well under difficult circumstances and tight time scales.

I look forward to working with all of your team during an even more bigger and busier projects next year.

I wish you and your family good health and trust you enjoy your well earned rest over the Millennium break.

Once again many thanks for your efforts, it is much appreciated.

Yours sincerely
