Dear Dominic,

Gooch & Housego PLC – Dowlish Ford Project

On behalf of the project team I would like to thank Spaceway for their input in helping to successfully complete the factory and office fit-out of the new premises in Ilminster, Somerset for Gooch & Housego PLC.

The design team appreciated the input from Spaceway and this ensured the end product met our mutual client's specific and varied requirements. I would be pleased to work with Spaceway again on future projects.

Yours sincerely,

Peter Smith
